“Uzbek TV, Radio & Magazine Uzbekim” are the first and only Media in Uzbek language in USA. We target a quarter million people from Central Asia, immigrated to the United States. **Readership Circulation among Russian & Uzbek speaking audience is more than 200,000.** Magazine is coming out monthly with the circulation of 5000 copies.

We write promotional articles and produce video commercials about your business. With commercial information packages, we will advertise you in our Magazine, TV, Radio and online publications including our [YouTube](#), [Facebook](#) and [Twitter](#) accounts. We have a strong presence on the Internet with a daily traffic increase on our website, where 100 % of visitors come from the U.S. Our Facebook account is dynamic, engaging, and updated regularly. And Uzbek TV New York YouTube Channel is an option for video advertisement. We focus on how to effectively promote your business.

Any changes during the whole period of advertizing are totally free. The schedule for running the ad is flexible and may be corrected at any time.

You can also place your ad on our most visited Informative Commercial website
